Summary

BSc (Hons) Cyber Security graduate with First Class Honours, equipped with strong theoretical knowledge and hands-on experience across core cybersecurity domains. Gained valuable teamwork and problem-solving skills through two summer roles in warehouse operations. Demonstrated digital marketing proficiency as a Social Media Manager at Generation Success, leading content creation, audience engagement, and campaign management. Skilled in social media analytics, scheduling tools, and brand reputation strategy. Proficient in Microsoft Office and known for working effectively under pressure, contributing fresh ideas, and collaborating well within a team environment.

Experience

Social Media Manager Generation Success	06/2023 to 06/2024 Remote
--	--

- **Lead Content Creation:** Spearhead the development of engaging content across various social media platforms, ensuring alignment with brand identity and strategic goals
- **Internal Engagement:** Proactively engage with our audience by promptly responding to inquiries and feedback, maintaining a professional and positive interaction tone
- **Scheduling and Posting:** Manage the social media content calendar, optimizing post schedules for maximum reach and engagement
- **Zoho Socials Champion & Marketing Automation Champion:** Ensure all social media content includes clear calls-to-action (CTAs) and aligns with ongoing marketing campaigns
- **Brandox Lead:** Oversee the organization and storage of marketing content in Brandox, ensuring accessibility and future usability
- **Leading Meetings:** Conduct weekly marketing meetings and serve as a key liaison between departments
- **Analytics and Reporting:** Analyze social media performance metrics to track progress and effectiveness of campaigns, presenting insights through comprehensive reports
- **Social Proof And Testimonials Gathering:** Curate success stories and testimonials for the Success Hub to enhance brand reputation

Notable Achievements:

- Generated notable growth on Generation Success LinkedIn, increasing followers by 158% within a 12-month period and boosting impressions by 242%
